TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION	
Ask Me about Asperger's Syndrome	Michael Thompson Productions	Video & DVD Format	High Funct/Aspergers	This 25 minute video is the first in a series of videos on Asperger's Syndrome. Professionals and parents describe the impairments that typically affect students with this disorder and offer practical suggestions and techniques for working with these children.	
Asperger Syndrome: Living Outside the Bell Curve	IEP Resources	Video & DVD Format	High Funct/Aspergers	This video looks at students diagnosed with Asperger Syndrome in general and focuses in on one 12 year old boy. The video includes an in-depth interview explaining the causes of, symptoms of, and strategies for coping with Asperger Syndrome.	
Asperger Syndrome: Success in the Mainstream Classroom	Coulter Video	Video & DVD Format	Strategies/Curriculum	Proven techniques teachers can use to create a positive learning experience for students with Asperger Syndrome or high-functioning autism in the mainstream classroom environment.	
Asperger Syndrome: Transition to College and Work	Coulter Video	DVD	Transition/Vocation & High Funct/Aspergers	Practical steps students can take during high school to prepare for college and the work place.	New
Asperger Syndrome at Work: Success Strategies for Employees and Employers	Coulter Video	DVD	High Funct/Aspergers, Transition/Vocation	This DVD features interviews with employees who have Asperger Syndrome describing how they succeed in the workplace; with additional insights from their supervisors, coworkers, and job coaches.	New
Asperger Syndrome for Dad: Becoming an Even Better Father to Your Child With Asperger Syndrome.	Coulter Video	DVD	Family Issues	This video offers practical actions you can take to help you understand problem behaviors, encourage strengths, and help him or her prepare for adulthood.	New
Asperger's Syndrome: A Guide for Parents and Professionals	Tony Attwood	Video & DVD Format	High Funct/Aspergers	In this presentation, Dr. Tony Attwood, a leading authority on Asperger Syndrome, will assist parents and professionals with the identification, treatment, and care of both children and adults with Asperger Syndrome. The video provides a description of the unusual characteristics of the syndrome as well as practical strategies to reduce those that are most debilitating. Attwood incorporates case studies and questions from individuals with Asperger's while discussing such topics as language, social behavior, family support, resources, and motor clumsiness.	

Autism Outreach Project Resource Library: DVDs and Videos

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION
Asperger's Syndrome: Crossing the Bridge	Dr. Liane Holliday Willey & Dr. Tony Attwood	Video	High Funct/Aspergers	This video presents Asperger's Syndrome through the eyes of Dr. Liane Holliday Willey, an adult diagnosed with the disorder. Dr. Tony Attwood, one of the leading experts in the field, interviews Liane as they discuss her life-time experiences, struggles, and triumphs with Asperger's.
Asperger's Syndrome, Autism, and Obsessive Behavior	BBC	Video	High Funct/Aspergers	Through interviews with individuals with Asperger's Syndrome, family members, and professionals, this video provides a depiction of the social difficulties, obsessions, fears, anxieties, and other characteristics of Asperger's. An excellent video for those wanting to gain a better understanding of Asperger's Syndrome.
Asperger's Syndrome, Volume 2: Anger Management, Teaching Teachers, Teenage Issues	Tony Attwood	DVD	High Funct/Aspergers	The world leading therapist on Asperger's Syndrome offers dynamic, effective ideas on three important subjects: anger management, teenage issues, and teaching teachers about Asperger's.
Autism	Aquarius Productions	Video	General Autism	This video takes you into the lives of people with autism and their families to understand more about autism.
Autism: A World Apart	Films for the Humanities	Video	Family Issues	This documentary features three children, ages four, six, and eighteen, who are all autistic. The program shows how each family has learned to cope. It also shows the enormous difference that special education can make in enabling autistic children to lead happier and more fulfilled lives and giving their families hope and relief.
Autism: Learning To Live	Indiana Res. Ctr.	Video	General Autism	Filmed throughout the state of Indiana, this public television documentary focuses on children and young adults with autism as they learn in community settings. Teachers, friends, a principal, a speech clinician, a job coach, and parents discuss how they have helped specific individuals with autism learn and what they have learned from these individuals. Recommended for use by parents, professionals, and the general public.

Autism Outreach Project Resource Library: DVDs and Videos

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION
Autism: The Child Who Couldn't Play	CBC	Video	Assessment	This video provides an overview of the characteristics associated with and current research into autism spectrum disorders. The video describes the program offered by the Princeton Child Development Institute, highlights the importance of early intervention, and describes the use and role of applied behavior analysis. Recommended for use by professionals and families involved in the diagnosis and assessment of autism spectrum disorders.
Autism: The Musical	HBO Documentary Films	DVD	General Autism	This film follows five children with autism, their parents, and the extraordinary acting coach Elaine Hall as they improbably and heroically mount a full-length original stage production. Critically acclaimed, inspirational, and award-winning documentary.
Autism Continuum, The	Dr. Temple Grandin	Video	General Autism	In this video, Dr. Temple Grandin discusses topics which include early intervention, sensory difficulties, subtypes of autism spectrum disorders, educational programming, learning characteristics, employment, problem behaviors, and medications. Recommended for family members and professionals interested in gaining an understanding of autism spectrum disorders from a personal perspective.
Autism Spectrum Disorders	IEP Resources featuring Glenis Benson, Ph.D.	Video & DVD Format	General Autism	This presentation provides a comprehensive overview of autism spectrum disorders. Covered are major issue areas: cognitive style, diagnostic characteristics, communication skills and deficits, social behaviors, support strategies and challenging behaviors.
Autism Spectrum Disorders & the SCERTS Model: A Comprehensive Educational Approach	Barry M. Prizant, Ph.D., & CCC-SLP	DVD	Communication	This DVD contains a three-part series on the SCERTS Model, an innovative approach for professionals who work with children who have autism spectrum disorders. Developed by internationally recognized experts, SCERTS gives therapists, educators, and parents a child- and family-centered model for strengthening communication skills and emotional development of children with ASD.
Being Bullied: Strategies and Solutions for People with Asperger's Syndrome	Nick Dubin	DVD	High Funct/Aspergers	This DVD is narrated by Nick Dubin, a former victim of bullying who has Asperger's Syndrome. Included are practical strategies to empower parents, professionals, schools, and individuals to prevent bullying.

Autism Outreach Project Resource Library: DVDs and Videos

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION
Breaking the Silence Barrier	Films for the Humanities and Sciences	Video	Personal Account	This program reports on technologies and multimedia software programs that are being used to help people with autism, traumatic brain injuries, and learning and speech disabilities. Temple Grandin, a woman with autism and a Ph.D. in animal science, explains how deep pressure therapy eases the sensory dysfunction that often accompanies her autism. Neurologist Oliver Sacks shares his views on how people with autism can find meaning in their own distinctive way. Also profiled is Bob Williams, the first person with a significant speech disability to hold a major Federal office.
Breakthroughs: How to Reach Students With Autism	Karen Sewell	Video	Program Design	In this video, the author demonstrates successful techniques for working with students with autism that she has refined in her 20 years of special education instruction. A hands-on, how-to approach to reaching and teaching students with autism, this video shows Karen Sewell working with a preschool student using a program of early intervention, high expectations, tough love, physical prompting, modeling, and attending to task. Sewell has been named a "Teacher of the Year" by the Autism Society of America.
But He Knows His Colors: Characteristics of Autism in Children Birth to Three	New Mexico Autism Program, UNM	Video	Assessment	Autism is a behaviorally defined condition in which children exhibit a range of behaviors. There are three major areas: impairments in social interaction; impairments in communication, verbal and nonverbal; and restrictive repetitive stereotyped behaviors. It can be difficult to obtain a diagnosis before the age of three because the behaviors that define autism are often disregarded because of the young age of the child. In this video four children with a diagnosis of autism demonstrate some of the characteristic behaviors.
Careers: Opportunity for Growth	Dr. Temple Grandin	Video	Transition/Vocation	This video features Temple Grandin speaking about obtaining and maintaining employment. Specific topics addressed include preparation for work, job options, the role of mentors, social behaviors in work situations, and other related topics. Temple offers her personal insights and perspectives. Recommended for use by professionals, family members, and individuals with autism spectrum disorders interested in examining employment options.

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION
Come Back Jack	Write Field Features	Video	Personal Account	This video chronicles the ups and downs of a family's extraordinary therapeutic journey, which ultimately led them, in July, 1998, to the Language and Cognitive Development Center in Lynnfield, Mass. There, with expert guidance from a dedicated team of special educators, Jack began to emerge from his internal chaos, embracing life and the people who love him.
Creative Programming for Children with Autism Part I: Head start/Kindergarten and Part II: First Grade	Indiana Res. Ctr.	Video	High Funct/Aspergers	Children with disabilities are increasingly being integrated into classrooms with peers. These videotapes show a high functioning child with autism who is integrated into school programs based on a creative programming approach by the school/parent team. The tapes focus on the planning issues, implementation practices, and critical factors which contribute to successful integration.
Day by Day: Raising the Child with Autism/PDD	Joan Goodman & Susan Hoban	Video	Personal Account	Presents a realistic look into the daily lives of two preschool children with pervasive developmental disorders, emphasizing the coping skills and practical strategies utilized by the parents.
Difficult Moments for Children and Youth with Autism Spectrum Disorders	Brenda Smith Myles	DVD	Behavior	This DVD provides practical solutions to everyday challenges experienced by individuals with Asperger Syndrome and a wealth of information for parents and professionals who work with children with Asperger Syndrome. Topics include an overview of the characteristics of AS and their impact on behavior; stages of the rage cycle; strategies to promote social skill development and self-awareness; self-calming and self-management; solutions including daily routines, organization, and support.
Discrete Trial Teaching	N.Y.F.A.C	Video	Strategies/Curriculum	Provides comprehensive information on implementing an ABA/ Discrete Trial Teaching program. Topics include: basics of Discrete Trial Teaching, reinforcers, learning readiness skills, prompting, teaching a new skill, receptive and expressive programs, generalization, and data collection. Through easy to understand lectures, followed by examples of teachers working with children, this video is a must for anyone beginning a DTT program.

Autism Outreach Project Resource Library: DVDs and Videos

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION
Enhancing Communication and Socioemotional Competence for Young Children with PDD	Barry Prizant	Video	Communication	This video tape provides an overview of the model of intervention for young children with PDD developed by Dr. Prizant and his colleagues, which focuses on enhancing communication and socioemotional development. The approach emphasizes a social pragmatic approach used within a family centered model. Examples of intervention with young children 18 months to five years of age are provided.
Exploring Feelings: Cognitive Behavior Therapy to Manage Anxiety, Sadness, and Anger	Dr. Tony Attwood	DVD	Behavior	In this presentation, Dr. Tony Attwood offers advice on assessing emotional needs, building self-esteem and improving self-awareness, managing anxiety, depression, and anger, and defining physical and social tools.
First Signs: On the Spectrum	First Signs Program	Video	Assessment	The mission of First Signs is to promote the early identification of, and intervention for, Autism and other developmental disorders. This video provides clinicians with the tools to discuss parent concerns, offer routine screenings, and when necessary, to be able to respond to the "first" signs of a developmental disorder through referral and follow-up.
Functional Behavioral Assessments: How to Do Them Right!	Eric P. Hartwig, Ph.D. & Gary M. Ruesch, Esq.	Video	Behavior	Guides you through the basic procedure for conducting functional behavioral assessments.
Going to the Heart of Autism: Relationship Development Intervention Program	Dr. Steven Gustein	DVD	Social Skills	Going to the Heart of Autism is the most concise overview of the Relationship Development Intervention Program to date. The DVD provides over 5 hours of instruction and includes 30+ video clips of parents and families participating in RDI activities. An excellent tool to introduce and educate teachers, therapists, grandparents and friends to RDI. Topics are dynamically presented for a general audience, but would also be appropriate for someone on a post-doctorate level.
Growing Up Social: Exploring How Social Communication Develops...and Strategies to Help!	Michelle Garcia Winner	DVD	Social Skills	This DVD looks at how social thinking supports the development of social skills from the first year of life, influencing language development and academic success, as well as skills for adult living.

Autism Outreach Project Resource Library: DVDs and Videos

TITLE	AUTHOR (S)	TYPE	CATEGORY	DESCRIPTION	
Hidden Curriculum, The	Brenda Smith Myles	DVD	Social Skills	This DVD, based on the book by the same name, is invaluable for helping persons with social-cognitive difficulties make sense of unspoken rules and expectations that govern how we interact with others in everyday life. In a straightforward, friendly, and often humorous style, the author provides excellent insights and sensible tools that draw from a wealth of research and experience.	
I Want My Little Boy Back: One Family's Journey through the Son-Rise Program	British Broadcasting Corporation	Video	General Autism	Developed by the British Broadcasting Corporation. This video describes the Son-Rise Program available through the Options Institute in Massachusetts, and illustrates the use and impact of this program on one young boy with autism. Recommended for family members and professionals interested in learning about the philosophy surrounding and the specific components of the Son-Rise Program.	
Implementation of a PECS System in a School District - Dymond		Video	Communication	This video details the process by which a school district implemented the PECS System.	
Incredible 5-Point Scale, The	Kari Dunn Buron and Mitzi Curtis	DVD	Behavior	This DVD is an excellent companion to the book of the same title. It makes this easy-to-read book come to life and is an excellent resource for all teachers and parents to assist students with autism spectrum disorders in understanding social interactions and controlling their emotional responses.	
Intricate Minds: Understanding Classmates With Asperger Syndrome	Coulter Video	DVD	High Funct/Aspergers	This DVD provides an introduction to Asperger Syndrome for typically developing adolescents and children. A concise but inspiring tape of teenagers with Asperger's Syndrome talking about themselves - an excellent resource for teachers, school psychologists, and guidance counselors in helping typically developing peers understand classmates with AS.	New
Intricate Minds III: Understanding Elementary School Classmates Who Think Differently	Coulter Video	DVD	General Autism	This DVD helps students understand and accept classmates with behaviors that make them appear "different". Designed to show the points of view of students with conditions such as Asperger Syndrome, Higher Functioning Autism, and Pervasive Developmental Disorder.	New
Introduction to Autism		Video	General Autism	This tape covers key points from the Introduction to Autism: Self Instruction Module. It contains portions of the autism series, but is narrated specifically to provide a clear, accurate introduction to understanding the disability.
