If yes what was student's official withdrawal date? _____

Documentation of Eligibility and Recommendation to Enroll

An eligible student is one who meets the following Open Doors requirements:

- Is between age 16 or 21 on September 1st.
- Is not enrolled in a high school program, including enrollment in a comprehensive high school, ALE program, and another OD Program. Excluding enrollment in a skill center program, Running Start classes or a Jobs for Washington Graduate (JAGS) program.
- Is a resident of the reporting school district or has completed a Choice Transfer or Inter-district agreement.
- Is significantly behind in credits needed to earn a high school diploma.

If student is not credit deficient or is age 16, this document of recommendation must be signed by the Department of Social and Health Services, Juvenile Justice System, District's designated school personnel or staff from agencies which provided educational advocacy services. Documentation of student's credit deficiency calculation must be kept on file.
